Our STORY

The management of *The Imperial College of Australia* would like to extend warm welcome to prospective students. We are an education provider specialising in Australian vocational education and located in the heart of Melbourne. We are committed to providing quality vocational training, enabling students to advance their career by attaining their educational goals. Imperial was established in 2007 and since that time has developed range of courses in Hospitality, Information Technology, Telecommunication, Business, Leadership and Management. Founder of the college has been actively involved in the Australian education sector since 1992. We endeavour to provide excellent teaching and learning environment and facilities to deliver quality education under the Australian Qualifications Framework (AQF). We understand the aspirations and goals of our learners. Our philosophy would always be focused on making sure that our students are able to achieve their goals by imparting quality education. Imperial caters for the needs of the local and international students. Our primary and only goal is to provide highest quality education to our students and make them achieve academic excellence.

Vision statement

The Imperial College of Australia's vision is to excel in delivering high quality education to students. We will strive to create an enriched learning environment that empowers students to strengthen their scholarly knowledge and become life-long learners. The Imperial College of Australia will be recognized as an exemplary educational leader, partnering with our communities; to develop potential and create opportunities for its members.

Mission Statement

The mission of the Imperial is to provide outstanding educational programs and services that are responsive to our students and diverse communities. We accomplish this mission by:

- Providing high quality teaching and instruction to promote fulfilment of knowledge transfer requirements and encourage academic acquisition in our surrounding communities
- Providing skills education and student services programs to help students become successful learners
- Establishing partnerships with stakeholders as well as other educational institutions to advance economic development
- Improving the quality of life of our students and communities through broad-based research and scholarship programs.

College Profile

At Imperial, we understand the aspirations of our students, and have focused our philosophy on imparting premium quality education. The institution caters to the needs of students in the field of vocational education for local and international students. We are committed to providing a warm and caring educational environment and make our students a top-notch leader in their chosen profession. We pledge to apply best practice in training and assessment, with a dedicated team of highly qualified trainers and administration staff with extensive experience in their respective fields. We are confident that our students will have an enriching experience by choosing Imperial as their pathway to success.

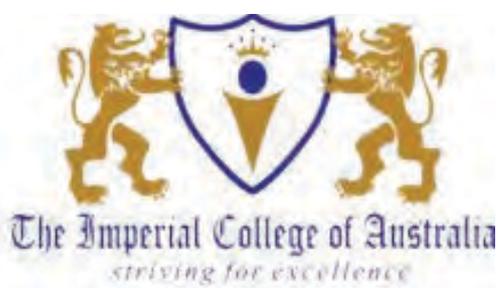

Accreditations

Imperial is an accredited and recognised provider of education and registered by ASQA (Australian Skills Quality Authority). Details of approved qualifications are available on www.training.gov.au

- **Conducive Learning environment:** We understand the importance of excellence in the learning environment to help students achieve their learning goals. The college aims to provide the latest learning technologies and techniques. Our programs and services are student-focused.
- **Access to Resources:** We have dedicated information resources and computers, the latest books, magazines, and journals through which our students can keep themselves abreast with the latest trends in the industry.
- **Dedicated Student-Staff Recreation Area:** To optimise interaction and make our students and staff more comfortable with each other, Imperial has a dedicated informal recreational area.
- **Well-furnished Commercial Kitchen Facilities:** For the students undertaking commercial cookery courses, we have a dedicated state-of-the-art commercial kitchen to give students real life experience.
- **Well-equipped Computers:** Computers with easy access, assists the student in the completion of their assessments and research in a more meaningful manner.
- **Industry Placement Facilities:** Imperial is committed to make every effort in finding job placements for students.

Our STAFF

Training and assessment is delivered only by trainers who have:

- Vocational competencies at least to the level being delivered and assessed;
- Current industry skills directly relevant to the training and assessment being provided; and
- Current knowledge and skills in vocational training and learning that informs their training and assessment.

Industry experts may also be involved in the assessment judgement, working alongside the trainer and/or assessor to conduct the assessment.

Training Environment & Methods

Imperial will meet the following minimum training environment standards:

- Compliance with all laws relevant to the operation of training premises including occupational health and safety, equal opportunity, anti-harassment, privacy and fire safety regulations;
- Provision of training premises of adequate size, equipped with heating, cooling, lighting and ventilation;
- Training facilities, equipment and other resource materials that meet the requirements, and their regular maintenance in good order.

At Imperial we have modern training facilities and we use the latest teaching techniques. We use industry standard resources equipped with multimedia features including audio and visual aids to impart the training.

WHY MELBOURNE ?

Melbourne is one of the most livable and vibrant city of Australia. The city has been judged as most livable by international panels several times. The City's multicultural population is a warm and welcoming sign for new students. Melbourne's Central Business District (CBD) is well connected to the suburbs by public transport network of buses, trains and trams.

Melbourne, a relatively modern city, never sits still. A fascinating mixture of Victorian and contemporary architecture ensures the skyline is constantly changing. Melbournians embrace sports, fashion and festivals. Melbourne, the sporting capital of Australia hosts events such as Australian Open Tennis, Australian Formula One Grand Prix, the Australian Football League Grand Final, the Spring Racing Carnival and major international cricket tournaments. Melbourne is also one of the Australia's leading business and education centre with ample opportunities, making it a great place to find a job after completing studies. Melbourne's safe and friendly environment, affordable housing and cost of living make it one of the most favored destination for international students. Visit the website of Melbourne www.melbourne.vie.gov.au for further information.

MELBOURNE, A GREAT PLACE TO STUDY

Cost of Living

Before lodging your application, you should consider whether you will have enough money to set up a house in Australia as well as pay for your air-fare including return), course tuition fees, overseas student health cover (OSHC) and all general expenses during your stay in Australia. As a general guide, your accommodation, food, transport, clothes and expenses could cost you approx. AUD\$19,000 - AUD\$20,290 a year, or more, depending on your lifestyle and where you live. Please refer to www.studyaustralia.gov.au for more details.

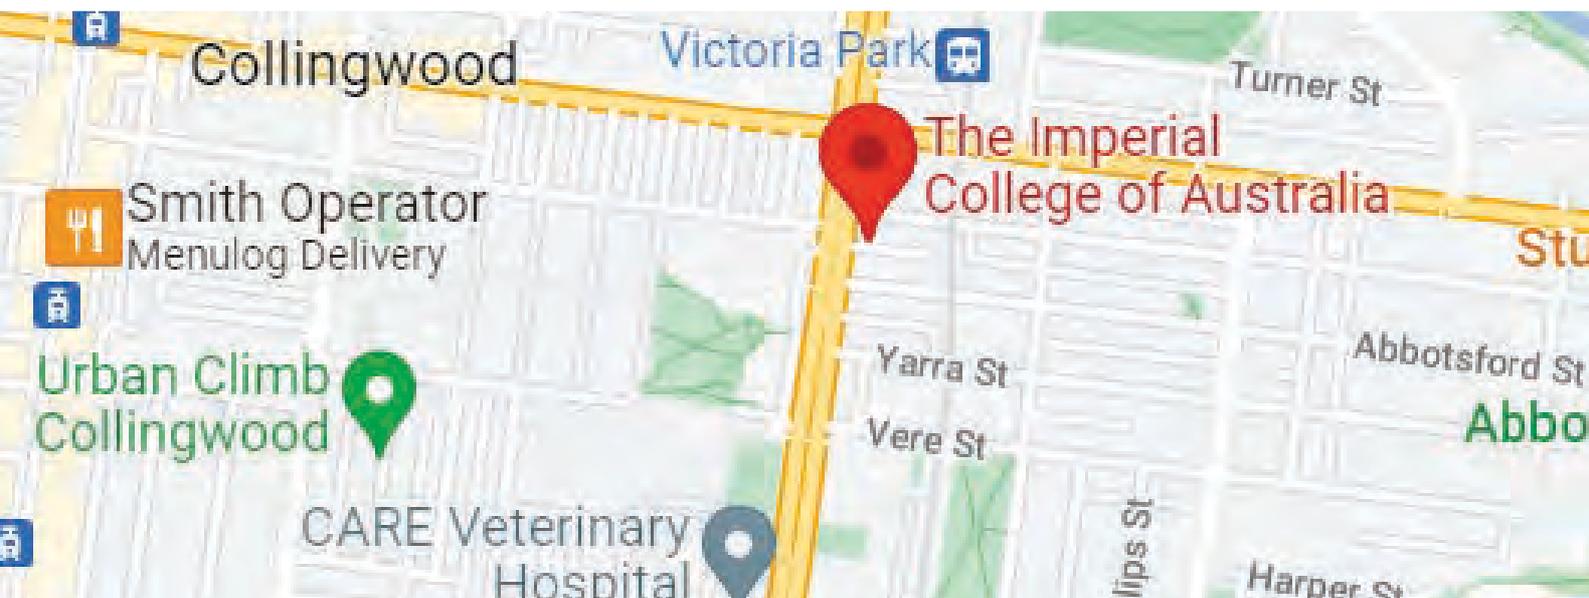

Accommodation

Imperial will gladly assist in finding a suitable accommodation. If required, temporary accommodation will be arranged for your arrival usually for a period of one week. This would be hotel style accommodation at AUD \$90 to AUD \$150 per night.

Campus Location

212 HODDLE STREET, ABBOTSFORD, VIC 3067

Recognition of Prior Learning (RPL)

Students who believe they already have competencies in one or more units of the course because of their past qualification(s) and/or work experience may apply for Recognition of Prior Learning (RPL) at the time of enrolment.

Credit Transfer

Students who have already completed the units of competency of our course from another education provider in Australia under AQF may apply for the course credit. Credit transfer may be granted on the receipt of original academic transcripts.

Further Studies

Credit points may be granted for our courses for students wishing to study higher education in Australia.

Course delivery

Imperial will:

- Arrange an orientation program for new students, prior to course commencement, with information about the course curriculum, work-based training (if required), and availability of learning resources;
- Ensure that a current copy of the accredited course curriculum is available to staff and students;
- Conduct training and assessment in accordance with the requirements of the accredited course and training package;
- Ensure that national guidelines are followed when customising courses to meet the needs of clients;
- Obtain written permission from course copyright owners prior to course delivery to use and, if required, customise courses;
- Ensure that all courses on the scope of registration as listed on national register at www.training.gov.au meets the training package requirements.

ICT30120 CERTIFICATE III IN INFORMATION TECHNOLOGY

CRICOS: 109122G

Course Description

This qualification reflects the role of individuals who are competent in a range of Information and Communications Technology (ICT) roles, including animation, basic cloud computing, basic cyber awareness, digital media skills, generalist IT support services, networking, programming, systems and web development.

Qualification

On successful completion of this course, the students would be awarded the ICT30120 Certificate III in Information, Technology a nationally recognized qualification. This could help students gain entry into career paths or further education in the field of ICT.

Entry Requirements

There are no entry requirements for this qualification.

Delivery Mode

This is a full-time face-to-face classroom-based course for International Students. All units are delivered as standalone units.
